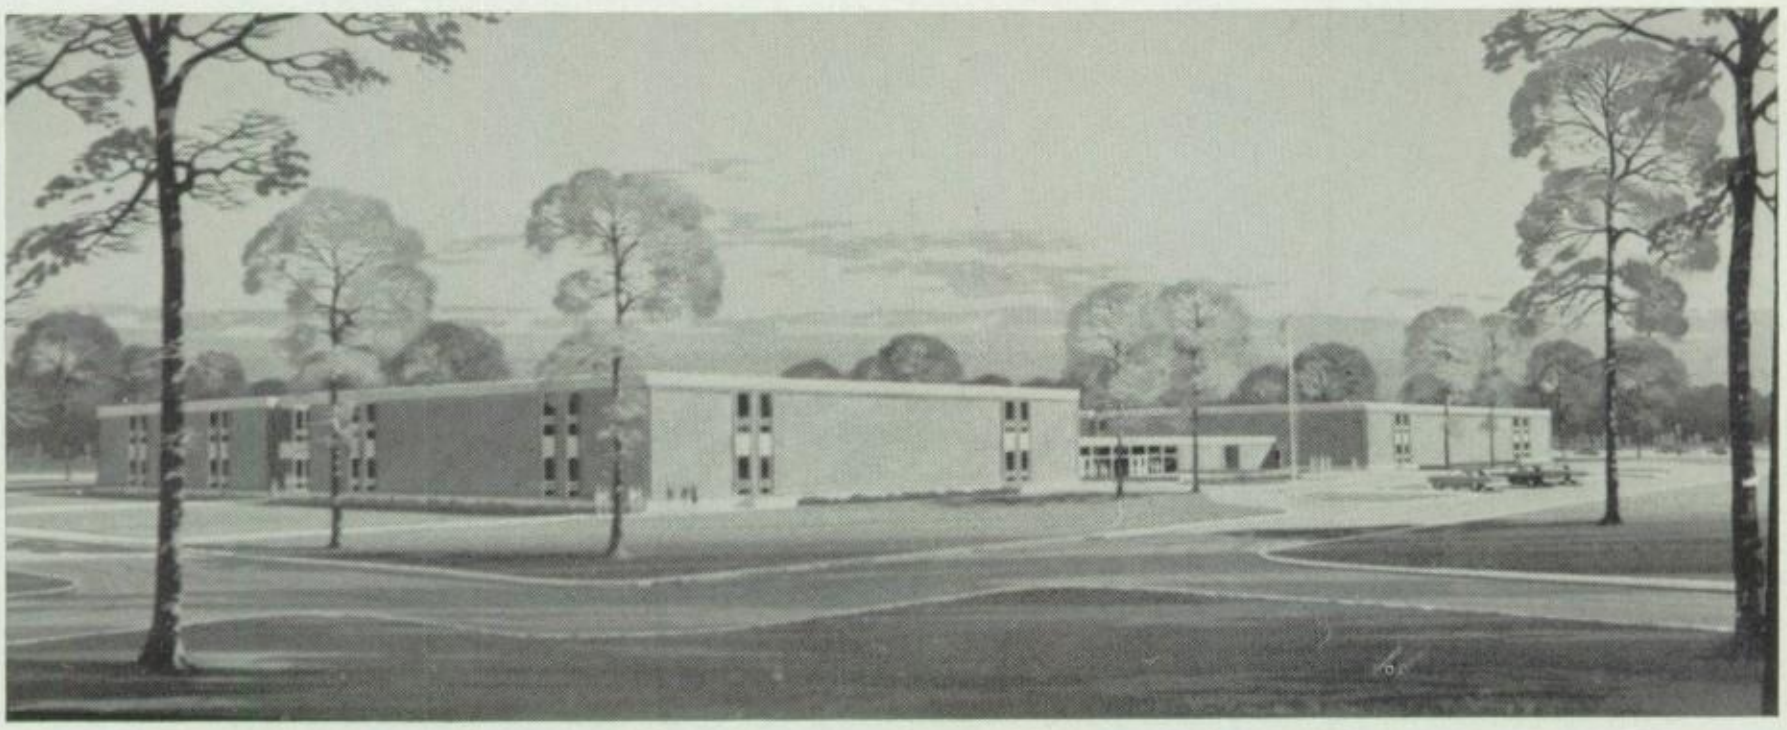
ACKNOWLEDGMENTS

The 1968 Fohirab staff would like to thank Mr. Latta and the faculty of Fostoria High School for their fine co-operation; Mr. Judson Rinebold and Mrs. Phyllis Gilliland and the staff at The Gray Printing Company for being so helpful; the Homerick-Sharp Studio for their assistance; and everyone else who came to our rescue when the going got rough.

DEDICATION

—to the citizens of Fostoria



For four years, the students and faculty alike have had their hearts set on a favorable vote for the new Fostoria High School. After defeat and the pain that went along with it, the year 1967 saw the dawn of a new beginning—a chance. The citizens of Fostoria finally mustered a majority "yes" vote for the School Bond Issue.

In two short years, maybe less, Fostoria High School will be one to talk about; the new and bigger classrooms, the wider halls, the better lights, the new music rooms, the big auditorium and gymnasium, the high-spirited faculty and student body.

For all of these possibilities granted to us, we owe thanks and dedication to the citizens of Fostoria. We thank the merchants, the businessmen, the tradesmen, the doctors, the lawyers, and everyone of voting age who voted "yes." A special tribute is extended to the LIFT organization for their marvelous campaign.

To you, Fostorians, the Fohirab staff is very proud to dedicate this annual.

JUNIORS

An almost unparalleled success in nearly every line of endeavor has been the achievement of the Class of 1969. Three years of hard work have been the contributing factor in this accomplishment.

In athletics, the Junior boys filled the positions of mainstays in many sports and proved good material for future FHS teams.

Upon them, the task of planning and presenting the Junior-Senior Prom was placed. This difficult job was carried out in a very efficient manner.

Opportunities for this class will be abundant. During their final year in high school, they must take advantage of these opportunities and lead the school.

SOPHOMORES

Last year the class of 1970 was in that pitiable state of being too "old" for the Junior High and still unrecognized by the august upper-classmen.

This year, however, they have proved their worth in many ways. They have joined many clubs for the first time and have challenged new subjects now offered to them. They have become very well acquainted with the halls of Fostoria High School and are always willing and ready to do any job that may be bestowed upon them.

Wtihout a doubt, unless they wear themselves out before then, the year 1970 will see the graduation of one of our school's finest classes. They may also be the first graduating class from the new High School.

FRESHMEN

The "Frosh" of this year have showed their willingness and eagerness to become part of Senior High by the many things they have participated in.

Their clubs have been active, their classes over-flowing with enthusiasm, and everywhere one goes a Freshman is present.

Next fall, as the curtain goes up on another school year, the Freshmen will be playing featured parts as the illustrious Sophomores. Already they have been "cast." They now need only to play out their roles to the final "Curtain."

FOHIRAB ANNUAL STAFF

At the very beginning of the 1967-1968 school year, the annual staff decided to add a new feature-color to the yearbook. Knowing that the cost would be terrific, the staff got out and sold ads. The price of the yearbook went up; but the students were still willing to pay it. And so we put out the best annual that we could. Many hours of work were put into it by many people and many advertisers responded to our pleas. Without this help, the yearbook would never have been published. All in all publishing an annual is a rewarding experience.

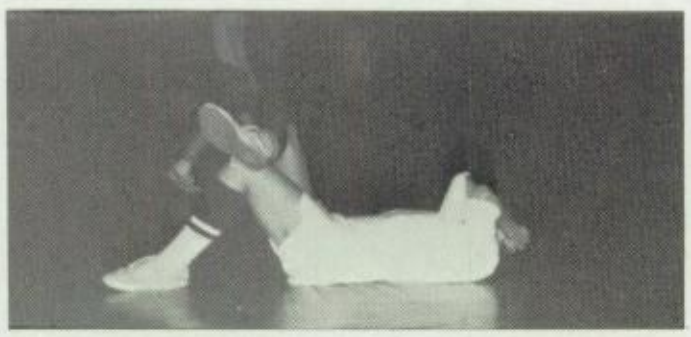
GAA vs. VARSITY F

In February the GAA lead by Smell Hartsook challenged the Varsity F to a game of basketball. The rules were to play the boys' rules the first half and girls' rules the last half. It turned out to a fun affair for all. The girls put all they had into winning the game, but the boys were just too tough. At least they think so.

The Varsity F cheerleaders are sure cute. Wonder what their names are.

Smell, what's wrong? Aren't you winning?

The GAA cheerleaders are attempting a pyramid.



Gomer, are you giving up already?

Come on Debbie show us your stuff.

Tired, girls?

THE PALE PINK DRAGON

Bobby Jo Wolfe played the pale pink dragon in a costume made by Mrs. Rodocker. Jim Hyte created the head.

The drama students of F.H.S. put on a grand production of "The Pale Pink Dragon." The cast, under the supervision of Mr. Frank Rodocker and directed by student director Jack Gilberg, produced the play in March before about 600 children and parents.

Princess Pen Green, played by Kathy Roelle, and the King, played by Rick Newman, are seen here relaxing at the dress rehearsal.

The villain of this play, the horrid witch, was played by Becky Ritchey.

And who could this stunning beauty be but Princess Pinky played by Dinah Fruth.

An important discussion between King Rick Newman and his chamberlain Brad Lafferty.

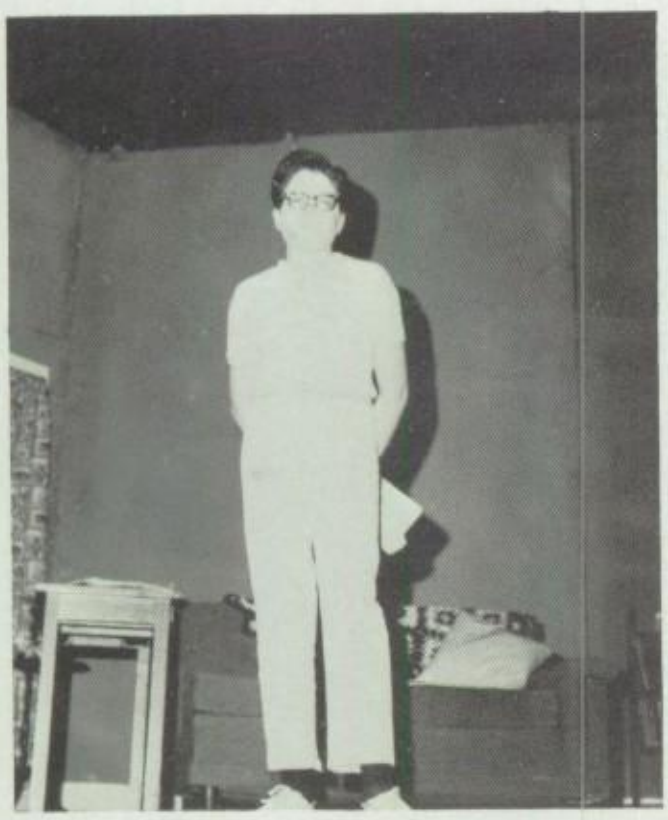
ALL-SCHOOL PLAY
"Thunder On Sycamore Street"

The all-school play for the '67-'68 school year was "Thunder On Sycamore Street." Under the direction of Mr. Frank Rodocker, the try-outs were held and the cast selected. The "thunder" of the play was Jim Hyte, an ex-convict, who, with his family, move into a normal neighborhood and are at once condemned for their past.

In a dramatic scene from "Thunder on Sycamore Street," Mike McCambridge protects victim Hyte from attacker Gilberg.



Freshman Dave Wenger played one of the younger members of the cast.

Barb Saldusky, Ken Rose, and Kris Kolatis await opening night curtain.

Jackie Baker makes some last-minute touch-ups on Mike McCambridge before the show goes on.

Senior Jim Hyte, the main character in the play, appears here in deep thought.

The ensembles were busy singing all year, especially during the Christmas season. There was a great rivalry between Beth Byerly, Bobby Jill Dick, and Larry Newman as to who would play the piano.

Would you believe Mr. Middleton is working harder than the choir???

On a sultry and very hot day last August, forty-one boys showed up for the start of the 1967 Redmen practice sessions. Coach Studrawa said that the attitude was good and thought the team might be on its way to a good and a solid winning season. For the Fostoria fans a rude awakening was in the making, for the Redmen dropped the opener to arch-rival Findlay by a score of 49-12. The next week the Redmen bounced back by defeating Tiffin Columbian 20-8. Next the small band of Redmen lost to a tough Defiance team and again bounced back by beating Bowling Green 18-12. After this, disaster struck in the Redmen camp for they were unable to win another game. Only nine members leave the Redmen this year and as a result, next year should be a season of revenge. Two players made the first team GLL. They were Gary Piper—right guard on offense, and Greg Filliator—right end on defense. The second team honors went to Tom Smith and Junior Browning. Steve Holden, Rick Martin, and George Graber captured honorable mentions. Also, we take pride in saying that Gary Piper made the third team All-Ohio.

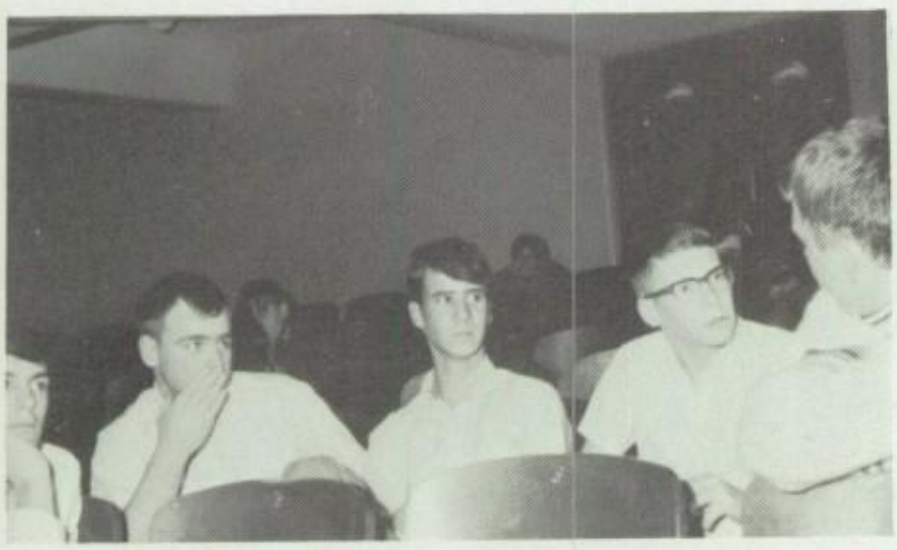
ROW 1: Bob Eidson, Terry Feucht, John Cadwallader, Bruce Florea, Steve Ink.
ROW 2: Dave Koons, Mike Straum, Scott Saunders, Wayne Kingery, Paul Hammer, Rocky Samson, Gary Smither, Steve Leonard.

Although the cross country team was not at its highest peak this season, there are many indications that this group of boys will be very successful in the near future. Coach this year was Mr. Wilch and the manager was Dave Koons. Honorable mention all GLL were John Cadwallader, Bruce Florea, Bob Eidson, and Steve Ink. All will return next year as there were no Seniors this year.



Co-captains John Cadwallader and Bob Eidson talk strategy about a meet with Tim Green and Doug Seel.

The F.H.S. Redmen Basketball Team with lone senior Dean Peeler had a season of up and downs. The Redmen started slowly losing the first two games, but under the direction of Coaches Wilch and Jackson the team soon rushed to the lead in the G.L.L. The highlight of the season came when the Redmen upset Sylvania 59-49 on the Wildcats own floor. However the bottom dropped out and the Redmen lost the last three games. They still managed a tie for second plac in the G.L.L.

ROW 2: Coach Coburn, Scott Danner, Bill Youngston, Dave Hammonds.
ROW 3: Rick Martin, Roy Barfield.
ROW 4: Jim Chalfin.

With only one returning letterman, the grapplers made great improvements. The best record since 1964 was recorded this season as they won three and lost seven. Gary Bowman (103), Bill Youngston (145), and Jim Chalfin (HVWT.) placed in the Holiday and GLL tournaments, and Bowman and Youngston won at the Sectionals. Next season looks very prospective as eight out of the eleven starters return for another grinding season.

Our reserve and freshman cheerleaders have a great future ahead of them, if their spunk and spirit continues. These girls did a great job cheering for the reserve and freshman teams this year, and will probably go on to be varsity cheerleaders.

The 1967-68 Varsity Cheerleaders were an active group of girls. They had new cheers, new outfits, and many new ideas to promote school spirit. The girls practiced long hours under the supervision of Mrs. Myers. Their responsibilities included pep rallies, spirit signs, leading the Block F, attending all games, and constructing a hoop for basketball players to run through. They fulfilled their duty to the highest and definitely made their presence known.

Varsity Cheerleader Cookie Fairley shows one of the new stunts.

Enthusiasm fills the gym as the Varsity players are welcomed by Block F and fans as they enter through the victory hoop.

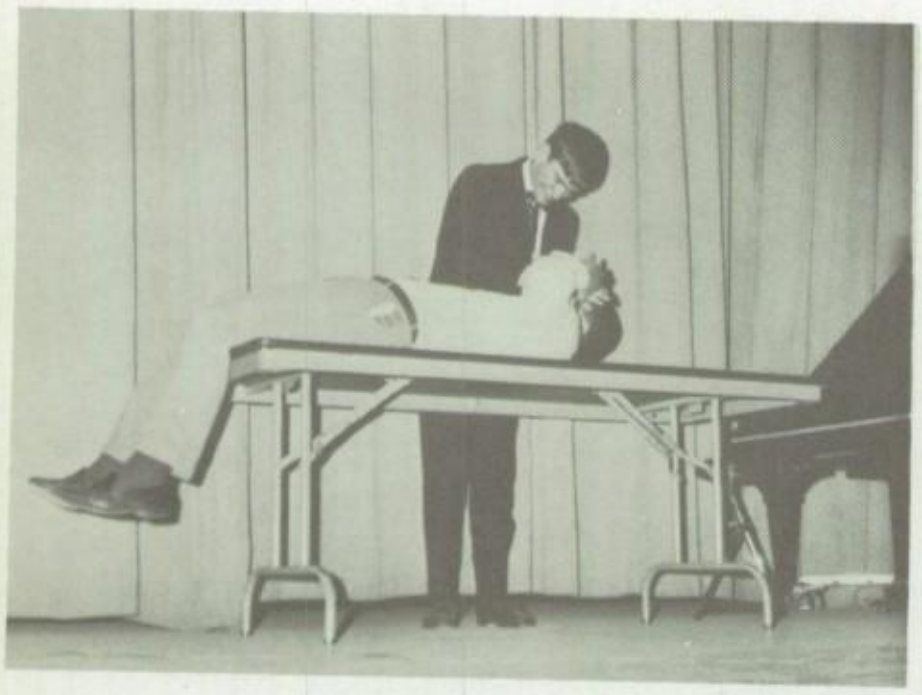
STUDENT COUNCIL TALENT ASSEMBLY AND ROMAN BANQUET



Jim Beeson, alias "Zorba the Great", attempts this daring magical feat on Senior Gary Piper.

Would you believe Thelma McBeth and Whonetha Browning doing "Hit the Road, Jack!"

These Senior girls went all out to show the students just one of their many talents as they performed "Sing Along With Mitch."

Senior Sam Wenger ended the assembly with the solo "Somewhere."

This beautiful display accented the theme of this year's Roman Banquet.

These Romans watched attentively one of the ceremonies presented in the night's program.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization for the outstanding students of Fostoria High School. A student is chosen by his character, his scholastic achievements, his leadership abilities, and his service to his school and community. The National Honor Society's advisor is Mrs. Dorothy Link.

ROW 1: Mark Latta, Steve Swartz, Beth Byerly, Rick Kaminsky, Advisor, Mrs. Dorothy Link.
ROW 2: Patti Harrison, Bea Williams, Nancy Brookman, Jennie Hakes, Kathy Warrington, Mary Jacob.
ROW 3: Becky Wallace, Pam Bechtel, Susie Dray, Beth Windsor, Margaret Landrum, Mary Ann Buckingham, Jackie Baker.
ROW 4: Toni Tarleton, Kathy Geoghegan, Kris Distel, Carol Wilch, Marianne Sinclair, Sharon Sutton, Jackie Walters.
ROW 5: Mike Hipsher, Dave Hiser, Larry Newman, Bart Fey, Freda Wright.

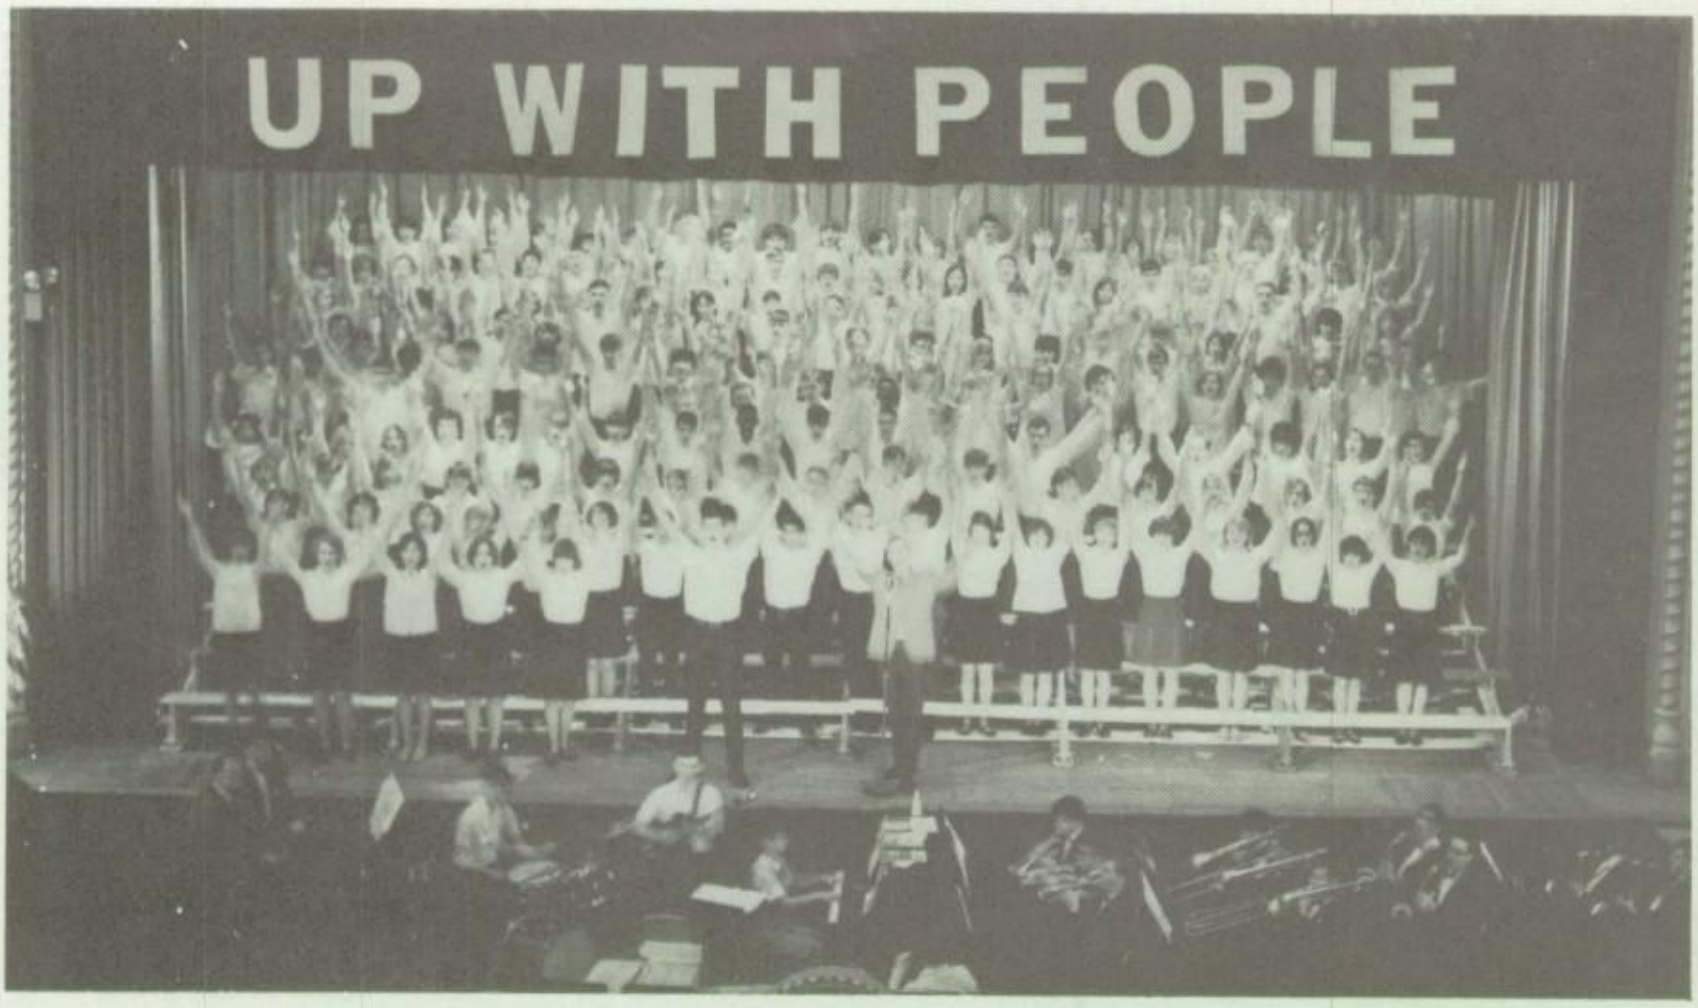
The N.H.S. officers for 1967-1968 were Gail Appell, President; Becky Thompson, Secretary-Treasurer; and Mike McCambridge, Vice-President.

Among the honored guests at the banquet were guest speaker, Rev. Richard Sinclair, Superintendent and Mrs. McCambridge, and N.H.S. advisor, Mrs. Link.

Seen here are a few of the thirty juniors who were nominated for membership into the order.

In N.H.S. for the term of 1967-1968, there were sixteen members. These sixteen seniors have been made permanent members of the order.

UP WITH PEOPLE



The entire "Up With People" chorus "sang out" to change the image of the youth of today.

"Up With People" began in 1965 at a youth conference at Mackinac Island, Michigan. The aim of the group was "to give youth a goal and purpose for their lives and to make them responsible citizens." The speakers at the gathering urged the youngsters to prepare for future leadership.

The youth knew that leadership was not only needed for the future, but also for the present. The image of American youth of today was created by beatniks, campus rioters, and hippie types. They knew that such scruffy types didn't represent them, but did the public and the people of other countries know? Thus, the aim of the "Up With People" chorus was to change this image!

Under the direction of Mr. James W. Middleton, the Fostoria High School choir created a cast and learned many songs to change the image of youth within their own community. They rebuked racial prejudices, they sang of freedom and sacrifice, and they challenged to worthier ideals.

The "Up With People" chorus from Fostoria performed two programs for the public, one program for the Sandusky Teachers Association, and several programs for students within the community.

Even the opening of the show was spirited as the chorus ran down the aisles of the auditorium.

Seniors Steve Miller and Dean Peeler tell the story of a brave young American as the chorus sing "The Ride of Paul Revere."

UP WITH PEOPLE

Senior Steve Fruth leads the F.H.S. choir in "Don't Stand Still."

Soloist Sam Wenger sings and plays one of the solemn tunes, "What Color is God's Skin?"

This girls' quartet made up of Vicki Hill, Jane Vance, Pam Henline, and Bea Williams sang "Water For A Thirsty Land."

This is just one example of the precision and accuracy the choir maintained throughout all of the programs.

Smiles were continually on the faces of the chorus as they sang the theme song of the program "Up With People."

TRACK

The track team for 1967-1968 came in second in the tri-meet this year. Dean Peeler and Dave Stewart were the Seniors on the team. The track awards went to Dean Peeler for scholastic achievement and John Belshaw, Tommy Bender award. The team hopes for a better season next year.

ROW 1: Left to right, David Gilberg, Earl Smith, Dennis Garlick, Walter Jackson, Kim Boas, Bob Zender, Richard Navaro, John Valesquez, Rick Garrison, Jim Losey, Raul Vasquez.
ROW 2: Scott Saunders, Sonny Fairley, Paul Rader, Larry Graves, John Cadwallader, Tim Ash, David Hammond, Jim Conine, Greg Baxter.
ROW 3: Coach Burton, Curtis Dixie, Tim Green, Bruce Florea, Jack Horner, Terry Feucht, Clinton Smith, Scott Danner, Rick Earl, Bob Stroman, Coach Weininger.
ROW 4: Mike Seel, Jerry Taylor, Tom Fredericks, John Belshaw, Greg Filliator, Dean Peeler, Dave Stewart, Scott Bodie, Rick Coe, Coach Studrawa.

Pole vaulter Larry Graves clears the bar.

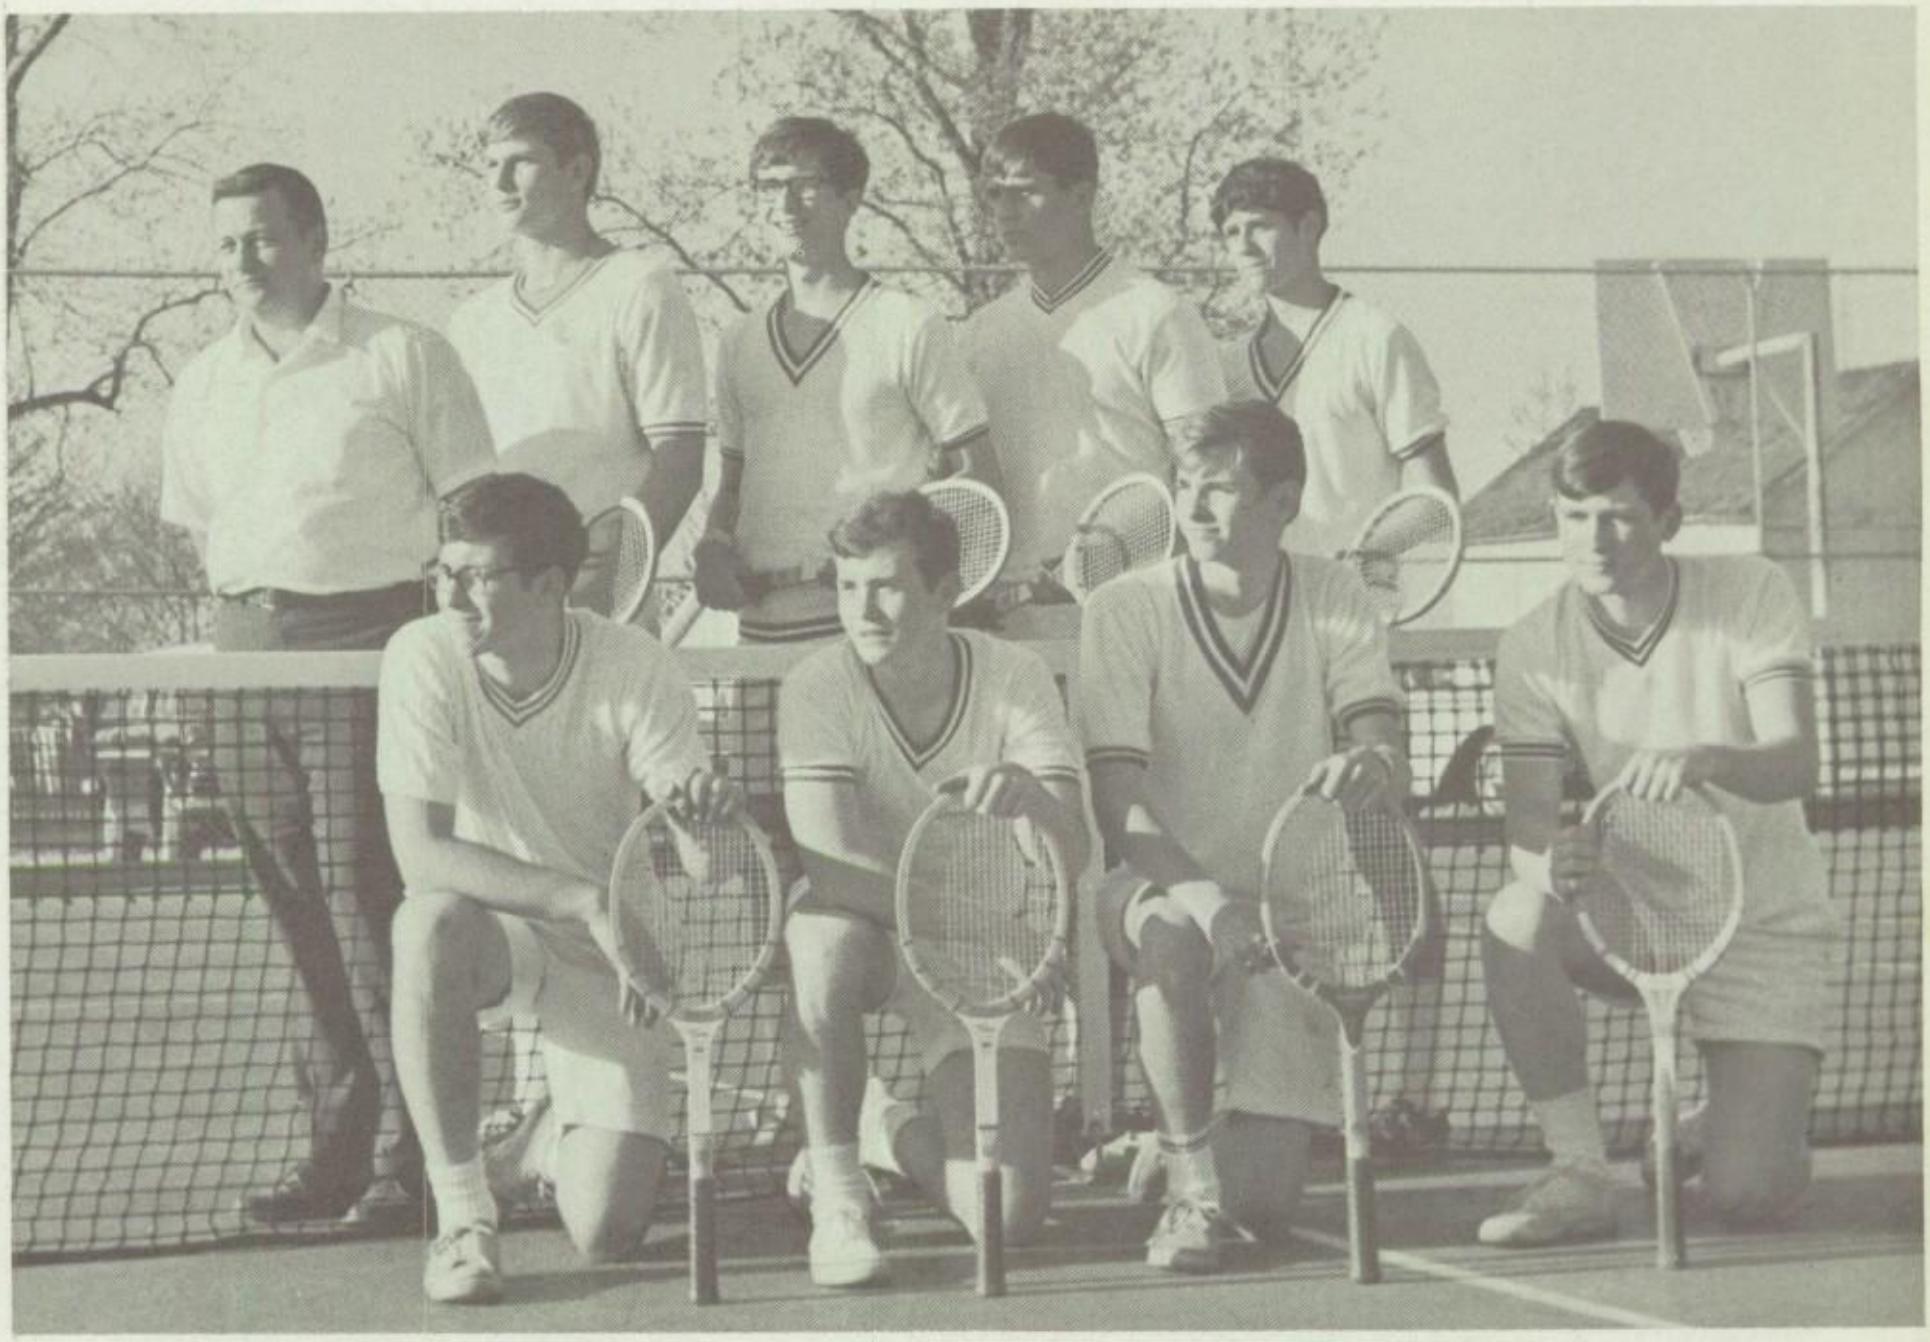
Broad jumper Dave Hammond shows how much the athletes put into each event.

John Cadwallader surges ahead of his opponents as Rick Coe hands him the baton.

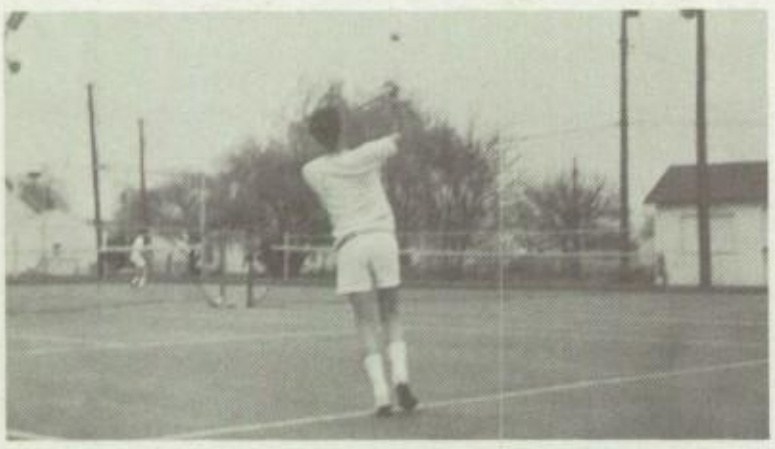
Record setting Sonny Fairley is ready to win another dash for the Redmen.

TENNIS

This year's tennis team had a mediocre season. The squad made the semifinal sectionals in the tournament. They hope for more success in these contests in the future years. Tennis is still a young sport at F.H.S. and the squad has done great in competition. The Tommy Bender award winner in tennis was Senior Sam Wenger. This year the squad lost four Seniors out of the seven players.



STANDING (l. to r.) : Coach Hansen, Steve Ward, Sam Wenger, Jim Chalfin, Greg Scharlach.
KNEELING: Jack Gilberg, Ken Rose, Bill Nelson, Steve Holden.



Senior Sam Wenger baffles his opponent with this return.

Golf is one of the youngest sports at F.H.S. There were three Seniors out of the nine players on this year's squad. The Tommy Bender award winner for golf for two consecutive years was Senior Gary Dennis. Junior Mike Hipsher placed fourth in the G.L.L.

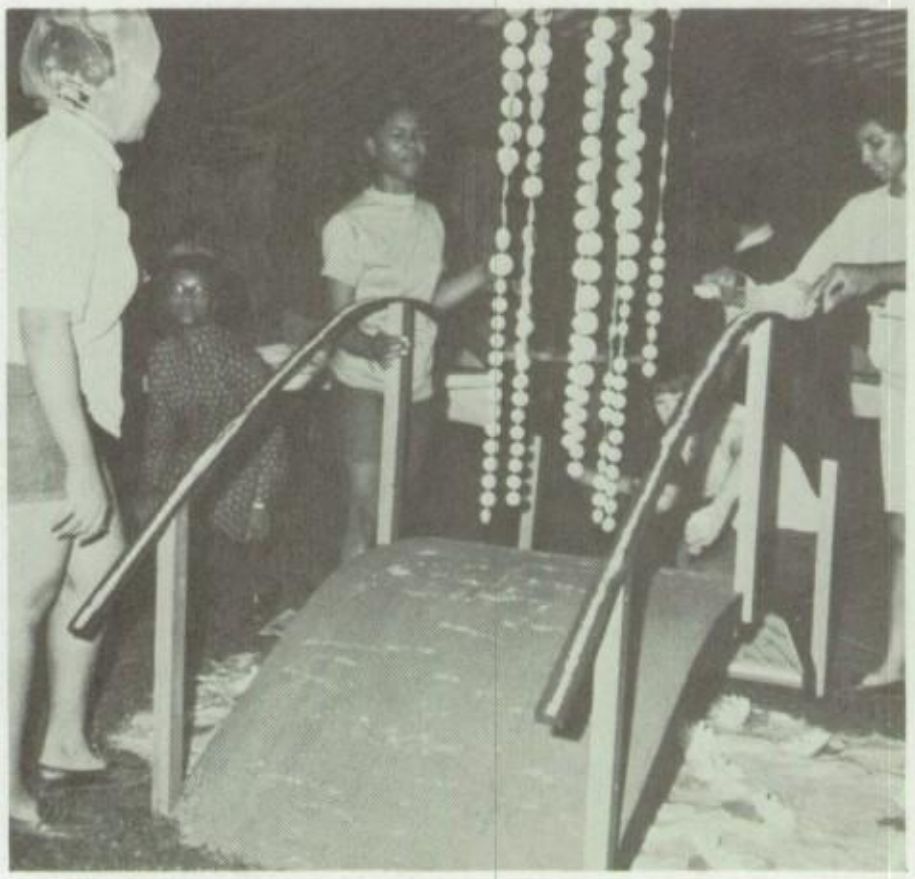
JUNIOR-SENIOR PROM
"NIHON PARADISE"

The Junior class spent many long and tedious hours in the gym preparing this year's Prom for the Seniors. The theme was "Nihon Paradise." It was presented on May 17, from 9:00 to 12:00. The Decoration chairman was Susie Dray; Theme chairman, Lindsay Boulboulle; Refreshments chairman, Beth Byerly; and Programs and Invitations, Kathy Geoghegan.

Could Larry Graves be saying, "Ah, come on, Babe, I don't have a date for the prom. Won't ya go?"



These Juniors are putting the finishing touches on the lovely bridge and pond that occupied the center of the gym.

Freshmen and Sophomores were eager to serve just so they could get a glimpse of the Prom.

Everyone at the Prom seem to be enjoying themselves dancing to the music of Ernie Duffield's band.

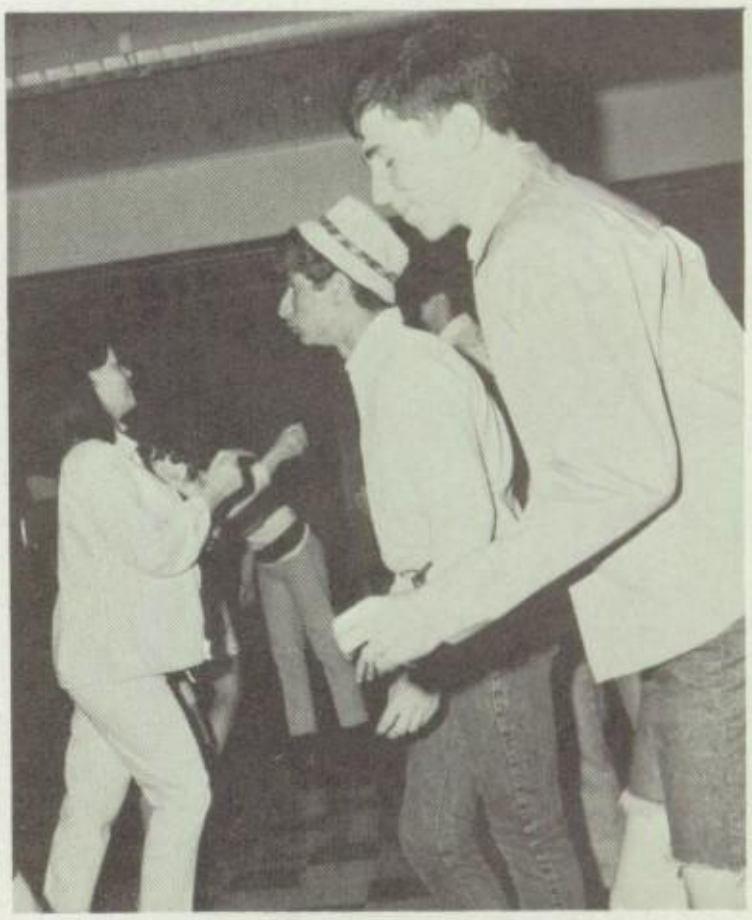
Just a small portion of the lovely decorations that filled the gym.

THE AFTER-PROM

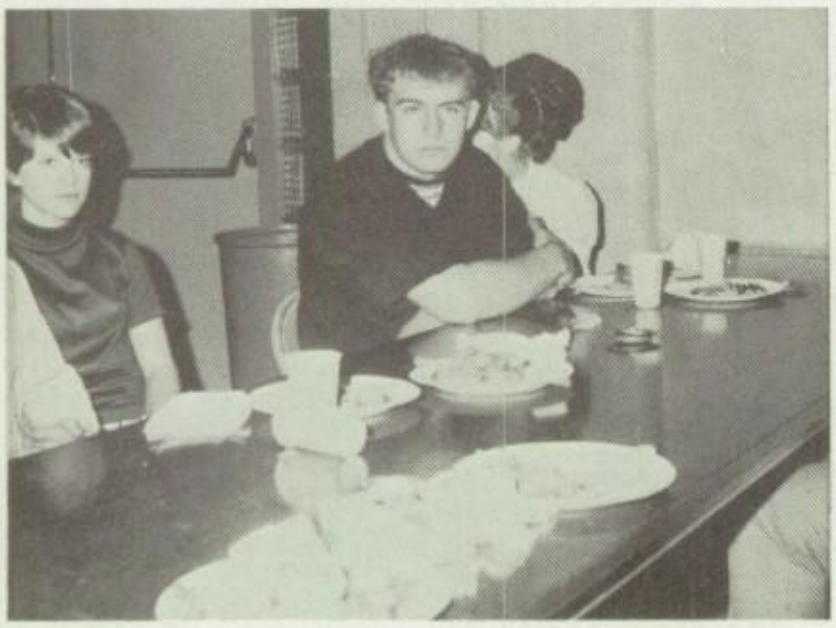
This year the After-Prom was held at Dunn's Bowling Lanes and the C.I.O. hall. Pool and bowling were the activities at Dunn's while dancing and eating provided the fun at the hall.

"The Sound of Five" furnished the music for the After-Prom.

Senior Terry Sauber winning a game of pool played at Dunn's.



These Juniors have found where the action is at the C.I.O. hall.



Senior Tom Smith and date Gail Kibbe (behind) enjoyed the food and chatting most of all.

Smell Hartsook, the "happy picture snapper" finally runs out of film.

SENIOR ASSEMBLY

The Seniors put in many hard hours of work during their last six-weeks of school. The chairman of this year's assembly was Carol Bentley. The ingredients that made up this assembly were the memories of all four years of the Senior's high school days.

A moment to remember: the Seniors' last walk down the aisles of the auditorium as Seniors.

"Flashback 1950" The Class of '68 is born! "I'll drink to that!" says newborn Sue Walker as Doctor Gary Dennis and nurse Lynn Wichard look on.

Could this be "Up, up with Skinnies"? I wonder if the person in the middle discovered Nutriment.

Oh, Shock! Horror! It's Dean Peeler, alias "Sponge Man!" coming to prey on some innocent creature.

Last minute preparations are being made by Linda Johnson and Teena Ferguson.

See, we told you we'd make it, didn't we?

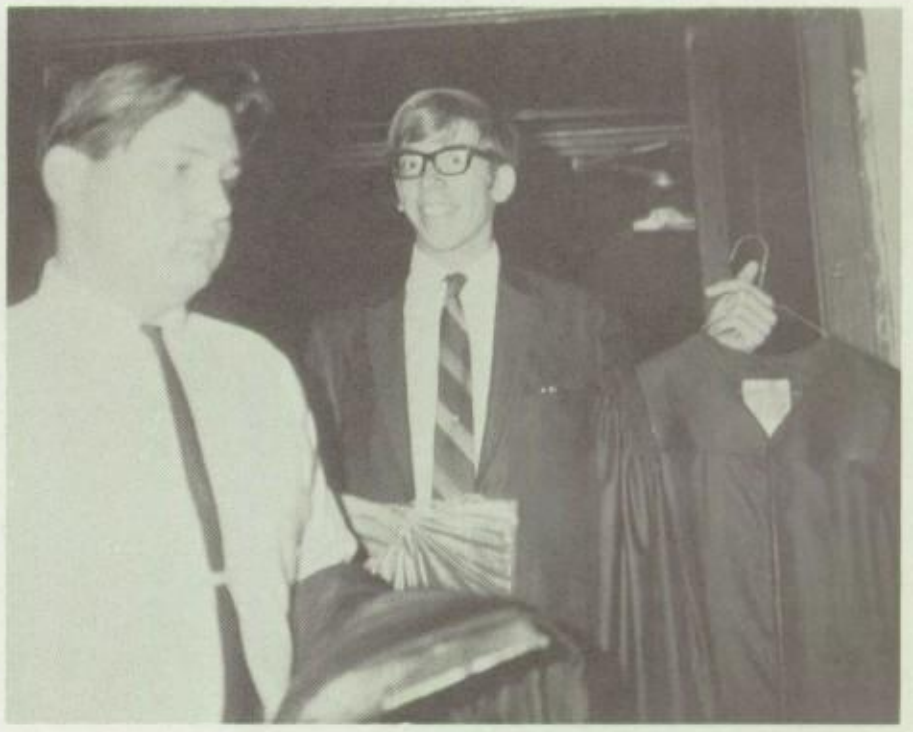
"Didn't I tell you it would be GREAT!" says Sam Wenger.

These Senior boys would walk a mile for a Camel.

At the old folks home our contribution to the basketball squad, Dean Peeler, and one of our football players, Gary Piper, at the age of 80 still ready to take on any opponents.

The finale—the last time the Seniors will play and sing their fight song as Seniors.

Like many Seniors, Linda Johnson is sad about leaving her old Alma Mater.



"I didn't forget mine either" says Senior Dave Stewart.

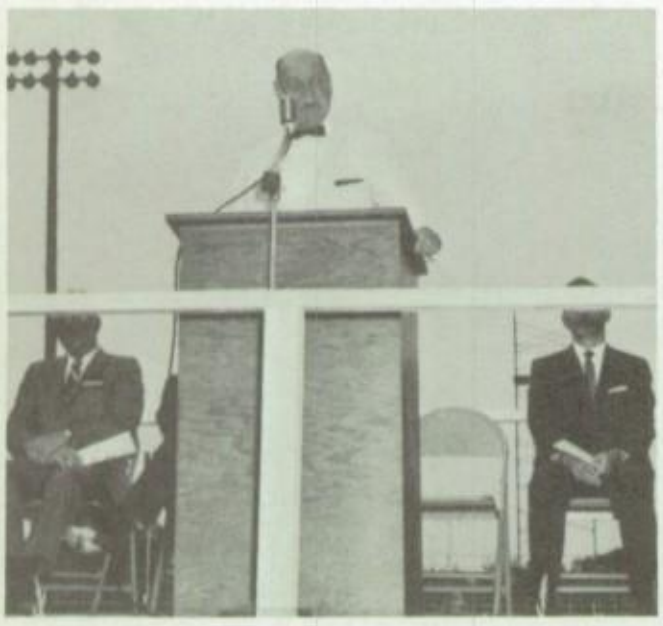
Doug Ward makes a last minute check in the boys' locker room.

GRADUATING CLASS OF 1968

The "Good ol' Days" at Fostoria High School are over for these 198 graduating Seniors. All they have left now are the memories of the good times that filled their four years of high school. The Class of 1968 will live by their class motto: "When all else is lost, the future still remains." The future holds for half the class an intention of continuing their education in some fashion, while the other half plan to find employment or join the service. The easiest years of their lives are now over. They will now be faced with a completely different way of life.

The Class of 1968 awaits the Commencement walk.

Principal Robert Latta begins the ceremony of presenting the diplomas.



Dr. A. M. Paxson, guest speaker, told the Class of 1968 that "you should never lose sight of old ideals, for it is on these ideals that our country was built."

A near capacity crowd appeared to see the Commencement exercises

These graduating Seniors are seconds from receiving their diplomas.

Gail Appell, the first graduating Senior, receives her diploma and congratulations from school board member Gordon Dennis.

Teachers Charles Suter and Donald Perrine await the returning of the caps and gowns.
